prajwalhegde.work@gmail.com | linkedin.com/in/prajwal-hegde-work
Industrial Training Eligibility: 12 months of articleship complete by 26 Jan 2027; 12 months remaining (term ends 26 Jan 2028).

PROFESSIONAL SUMMARY

CA Intermediate (Group 1 May 2025 and Group 2 Sep 2025, each cleared in first attempt) and Article Trainee at **Forvis Mazars (S N Dhawan & Co LLP)**. Hands-on exposure to **account reconciliations, intercompany accounting, trade payables and receivables, accruals, ageing and disclosures** across statutory, limited review and group audits of a **₹6,000 Cr unlisted manufacturing company**, a listed manufacturing company and a large service-industry client. Hands-on with BlackLine (client platform) and Excel VBA automation; basic Python. Seeking Industrial Training in **Controllership (Record to Report)**.

PROFESSIONAL EXPERIENCE

Forvis Mazars (S N Dhawan & Co LLP) | Article Trainee, Statutory Audit | Bengaluru **27 Jan 2026 – Present**
Portfolio: 3 clients, 6 engagements (3 statutory audits, 2 limited reviews, 1 group audit) across manufacturing and services; audit team scaled from 8–10 to ~20 members during the year.

- **Audited ₹1,000 Cr+ of trade payables and trade receivables** through substantive procedures, ageing analysis, accrual verification, disclosure checks and MSME interest / payables compliance.
- Carried out **intercompany receivable / payable reconciliations** (analytical) and procedures in Excel to identify and clear mismatches between group entities.
- Executed **200+ debtor, creditor and intercompany balance confirmations**; moved the process from manual to **VBA macro automation** to improve accuracy and turnaround.
- Performed **control testing and P2P process walkthroughs**; documented process flows and tested key controls for audit evidence.
- **Led Key Internal Controls (KIC) testing** for a group audit, entrusted with the area ahead of peers on the strength of strong stakeholder relationships across the client group.
- Participated in **year-end physical stock verification** and regular plant and corporate-office visits; interacted daily with finance and process-owner teams for queries and process understanding.
- **Guided fellow trainees** on control testing, process walkthroughs and trade payable substantive procedures.
